PROGRAM OBJECTIVES

B-Board Workshop. I understand that I am attending a land balance fitness program with varying options of intensity presented to me by Blue Motion Fitness instructor, Tamara Colaizzi.

DESCRIPTION OF THE EXERCISE PROGRAM

I understand that my B-Board lesson/session will involve participation in a number of types of fitness activities. These activities will vary and will include: 1) aerobic activities 2) muscular endurance and strength building exercises including, 3) other activities selected by my instructor and agreed upon by me.

DESCRIPTION OF POTENTIAL RISKS

I understand that no fitness/recreation program is without inherent risks regardless of the care taken by Blue Motion Fitness and that my personal safety cannot be guaranteed. I realize that when participating in any fitness programs, particularly those that induce cardiovascular stress, there is a slight chance of serious injury (e.g., heart attack, stroke, or other cardiovascular accidents) or catastrophic incident (e.g., death, paralysis). Likewise, I know that engaging in muscular endurance, strength building, and other fitness activities sometimes results in minor injuries (e.g., bruises, musculoskeletal strains and sprains), less frequent, more serious injuries (e.g., muscle tears, herniated disks, torn rotator cuffs), and rarely, catastrophic injury (e.g., death, paralysis).

PARTICIPANT RESPONSIBILITIES

I understand that it is my responsibility to 1) fully disclose any health issues or medications that are relevant to participation in a strenuous exercise program; 2) cease exercise and report promptly any unusual feelings (e.g., chest discomfort, nausea, difficulty breathing, apparent injury) during the exercise program; and 3) clear my participation with my physician.
